APPEAL FOR FINANCIAL CONTRIBUTION ON RETURN BASIS

Dear Sir/Madam,

It is hereby brought to your kind notice that a land dispute had arisen some time ago in the month of Dec.2025 at Bili under Kombo Village, Aalo, between Mr. Posi Gamlin (seller) and Mr. Horsen Ete (purchaser). The purchaser-initiated construction of local house without prior information or consent from the land seller as well as the All-Kombo Welfare & Development Society (AKWDS).

In order to prevent misuse of the land and to safeguard the sentiments and interests of the local community, the seller declared to reclaim the land from the purchaser before GWS and AKWDS. However, as the purchaser has already paid a substantial portion of the land cost, an estimated amount of around ₹1.04 Crore is required to settle the matter amicably.

At present, both the seller and AKWDS are facing a financial shortfall in arranging the required amount for repayment. Therefore, it has been decided to seek support from well-to-do indigenous faith believers to contribute towards this noble cause.

You are kindly requested to extend your support by contributing a minimum amount of ₹50,000 (Rupees Fifty Thousand) only (REFUNDABLE) and will maintain strict confidentiality. This initiative is for the protection, preservation, promotion, and practice of our age-old culture, traditions, customs, and indigenous faith across the Galo region and Arunachal Pradesh.

We sincerely appeal to your generosity and support.
